Course Selection Worksheet**

It is good and healthy practice to indicate a goal to help justify your choices. My goal is to _____ by (date) _____.

Below are the courses that will help me pursue this goal.

8 Primary Course Selections	
1.	5.
2.	6.
3.	7.
4.	8.
3 Alternate Course Selections	
1.	3.
2.	

Best Practice for Registration:

- Make sure you can log into your PowerSchool- Logins can be reset in the main office.
- Review your academic course history and goals
- Attend Curriculum Night on March 5th
- Check WCPSS Program Planning Guide for course descriptions linked on CHS Student Services site or available for reference in Student Services.
- Review and understand teacher course recommendations.
- Speak with parents and teachers about any course selections questions.
- Complete and submit applications for specific courses (PEPI, Teacher Cadet, and Yearbook) by March 18th.
- Complete a Level Change Form for courses you wish to take, but are not already recommended to take.
- Obtain Teacher Approval for any course designated "TA" on the Course Selection Sheet.
- Bring this sheet and the Level Change/Teacher Approval Forms to your registration session in the computer lab. See your 2nd period teacher for the date your class will register.
